

Welton Adonis

16.0 hh, Bay 15/16th TB Stallion, 1998
Welton Apollo x Baby Welton (by Welton Crackerjack)

Approved and Registered Stallion with Weatherbys

Welton Adonis has an excellent attitude to work, good looks and a superb temperament.

He has completed several Pre-Novice events, including one win. His amazing temperament is now enabling him to be used as a schoolmaster at Talland School of Equitation and he will be competing in Dressage this year.

He is producing youngstock with excellent conformation, looks, temperament and movement who have already had success in the show ring.

Adonis was short listed for the **PARA OLYMPICS** in 2008 with Ann Dunham. She has had great fun working with him and yet again confirms the extraordinary Welton Temperament.

Welton Apollo: The only British TB stallion to have completed Badminton in three successive years (placed 8th in 1989). He also represented Great Britain on the European Three-Day Event Team at Burghley in 1989.

Baby Welton: By the famous Welton Crackerjack, out of the TB Grade A showjumper Complete Surprise. As a five year old in foal to Double Trigger, she was Supreme Champion at the RBB British mare championships. Baby Welton is an Advanced event mare and is currently in foal to Welton Ambassador. Her impeccable breeding and performance speak for themselves.
